

MEET THE ALUMNI OF THE MONTH

SAMUEL WARNE

Class of 2023

Sam was a member of the club for 4 years at USC, serving as both Vice President, and a brief stint as Interim President. He is currently beginning his professional career in the Sports and entertainment field. Father Time always blesses us with his wisdom!

“Club golf to me is more than just a few guys hitting the ball around. Most of my favorite memories at USC were spent alongside guys in the club. If I could do it all over again I would join club golf again in a heartbeat. It’s a brotherhood that lasts a lifetime. “
